Trust Beneficiary:	Common Schools (Navigable River)
Classification:	III

This bridge replacement project is a result of the Milltown Dam removal project. This application is for the replacement of the existing Highway 200 bridge. The old bridge was not adequate to withstand the scour projected to occur from the flow of the river once the dam was removed. The old bridge was not legally cited through the issuance of an easement by the Land Board. This project is under the jurisdiction of the EPA. The Department recommends approval of this request.
